TEAM SPORTSMANSHIP AWARD

- It is encouraged to get input from all participating teams, coaches, and fans when selecting the team sportsmanship award. By including the criteria for the award in the coaches package, this will give each team a better understanding of what they should be looking for, as well as the behavior that is expected of them. This will also give you a better sense of the opposing team's view on attitude, behavior and overall

sportsmanship during the game.

- One sportsmanship banner will be given to one team at the SSA Provincial Championship. The team receiving this award will represent the true spirit of sportsmanship, integrity, ethics and fair play
- At the end of each match, officials will choose two recipients of a SSA sportsmanship keychain
- Throughout the facilities, there will be a QR code that is available for spectators to scan, to nominate anybody that has demonstrated key aspects of sportsmanship throughout the event
- These nominations will be regularly reviewed by the committee throughout the event, and keychains will be distributed to celebrate certain individuals
- These nominations will also aid in the sportsmanship committees selection of the team sportsmanship recipient

- The sportsmanship committee or appropriate representative should personally award players their sportsmanship pins, at an appropriate time. When presenting pins to the athletes,, identify their name, school, behavior and compliment them on their outstanding and consistent good sportsmanship. If possible, present the pin using the PA system and in front of spectators. This presentation should be at an appropriate break in the action, after the race. Please remember that during the race it is not appropriate because players and coaches are focused on their performance and therefore the pins should be presented in between.
